Story

Tracy was last seen at the Florida Tap Room Restaurant & Bar in Metro West Orlando watching the Magic basketball game on Tuesday night May 26th. She did not come home right after the game. Her car was reported and found abandoned on Franklin St Ocoee at 7:00 PM Wednesday May 27th. Her keys, Verizon cell phone and wallet have never been found and to date no tips have been reported of sightings of her car between the time she supposedly left the Taproom at 2:00 PM and the next day when her car was found.
